4. The faculty enrollment would be performed by the ministry leader and given to the R.E.D. for distribution.

5. The children preparing for first Communion should also be scheduled to visit with our Lord and be exposed to adoration of the Blessed Sacrament. The children should be told that they will become members of the prayer group, Adorers of the Blessed Sacrament, when they receive their first Communion.

6. The children will develop a relationship with Jesus by their weekly visits with our Lord, throughout their school years, that will never be forgotten. And because of this relationship with Jesus, these children will never leave the Church.
